

FÒS FEMINISTA

Provide for Your Loved Ones and Defend Women's Reproductive Health

Perhaps you are just beginning to think about your future plans. Or, maybe your family or other circumstances have changed, and you realize that it's time to update your plans to reflect your current needs and wishes. Many people also choose to include a gift in their will to organizations and causes that are meaningful to them.

A gift from your will or trust is the most common, time-honored way of ensuring that your support of Fòs Feminista and desire to provide women with reproductive health care services continues for generations to come.

These gifts:

- Require no immediate donation. The gift transfers to Fòs Feminista only after your lifetime.
- Maintain your ability to change your mind at any time.
- Are welcome in any amount. A gift of just 1% will make a huge difference.

Our Promise to You

We hope you will let us know about your gift, but you are not required to do so.

- We will respect your privacy. We will keep your gift anonymous if you wish.
- We will use your gift in accordance with your wishes.
- We will continue to strive to meet the highest standards of ethics and financial transparency in order to remain worthy of your legacy.
